

Instructions for Completing Reset Form:

If you need to reset your Court date, you may come to Municipal Court or complete the Reset Form and fax or mail it to Municipal Court on or before your court date. Per the Judge's orders, you may only reset your case(s) **one time**. The Reset Form may only be signed by the person to whom the citation was issued. You cannot select your new Court date; in order to reset your case, you will need to call the Court (210-695-4472) or you may complete your Reset Form leaving the date blank. The Court resets your appearance date approximately 30 days from your original setting date.

Be advised that resetting your Court date (even in person) does not waive any of your rights (since you do not enter a plea), nor does it constitute an appearance before the Court.

On the Reset Form, fill in the Cause No: This is the Citation # at the top of your citation (it will be five or six numbers; may have the letters CS in front of numbers listed) above the Date/Time. On the next line of the Reset Form, print your name. Skip the date information, unless you have already called the Court to confirm the date you are promising to appear. Sign the form and provide your current address and telephone number.

Once you have faxed or mailed the Reset Form to the Court, call to confirm that the case has been reset in the court system. It is not the Court's responsibility to contact you. Failure to appear on your Court date will result in a Violate Written Promise to Appear charge, and additional charges will be added to your case(s).
