

## **2020 Spring Brush Pick-up Cancelled**

With the concerns we all have in dealing with the COVID-19 virus and the uncertainty of the staffing levels of our solid waste provider, C6 Disposal Systems, Inc., the City of Helotes has decided to **cancel** the **Spring 2020 brush pick-up** scheduled to begin on May 4th and end on June 19th.

Our next regularly scheduled brush pick-up for Fall 2020 has not been canceled.

**The regular twice a week trash collection and once a week recycle collection will continue on your regularly scheduled days.**

It is important that all of your household waste, especially food scraps and tissues, should be placed in plastic trash bags and securely tied closed before placing them in your 96 gallon cart for pick-up.

If you have questions or need more information, contact C6 Disposal Systems, Inc. at [c6disposal.com](http://c6disposal.com) or 210-375-0066
