

Helotes Celebrates Municipal Court Week

The City of Helotes Municipal Court is proud to celebrate Municipal Court Week November 1 through 5, 2021.

Municipal Court Week is dedicated to showing appreciation to municipal judges, court clerks, court administrators, bailiffs and warrant officers who comprise the Texas municipal courts throughout Texas. This celebration recognizes the important role that local courts play in the criminal justice system and their contributions to keep communities safe.

During this week the Helotes Municipal Court will be displaying traffic safety materials and other free goodies. All are welcome to come and receive these free traffic safety materials and other goodies throughout the week. As always, municipal court staff are available to answer questions about the court's role in the community and services provided.

Here is a list of virtual presentation events that will be held throughout the week via the City's social media outlets that can be found on our city website at <https://www.helotes-tx.gov/>:
